### LIBRARY BOARD:

Jody said the library will be closed at 5:00 p.m. on Friday, August 14 and all day Saturday due to the festival. They erected fencing around the new grass so no one would walk or park on it.

### FIRE BOARD REPORT:

They had a meeting August 4 and discussed charges for emergency fire runs for non-residents. The hydraulic unit (valving) failed in the Jaws of Life and they can't get parts because it is so old. They found a demo jaws of life for \$17,000.00 (Arbela's share would be \$6,800.00).

**MOTION:** By Warren to approve the purchase of the Jaws of Life for the fire department not to exceed \$7,000.00.

**SECONDED:** Jacobi. Roll call vote. Jacobi, yes; Warren, yes; Hunt, yes; White, yes.

They set the rates for non-resident accidents when the first responder unit is called. It will be \$300.00 per vehicle. If the Jaws of Life are needed it will be an extra \$300.00. If the accident happens in Arbela, we will bill the people. If the accident happens in Millington, they will do the billing.

Normally we have 24 or 25 firemen with 3 of them in training. In recent weeks several of the firemen resigned. We are now down to 22 so the fire board authorized the fire chief to hire 2 to 3 new firemen.

Joe had the county engineer's report from the roadside ditch petition on Lewis Road from Sergent to Murphy Lk. Road. The approximate cost is \$5,000.00. Joe asked the board if the township could pay more than 25%?

Warren said if we do it for this road, then we would have to do it for any other roadside ditch petitions we receive.

Joe is going to talk to the three residents and see if they are willing to pay the cost of cleaning the ditch.
